School Financial Policy

Please read, agree to and sign this statement BEFORE your child is admitted.

1. The COMPLETE registration packet must be submitted before a space can be reserved for your child. We reserve the right to give your space to others until the COMPLETE registration packet is returned.
2. Our annual tuition is developed on the basis of an academic year budget. We have adopted a monthly payment convention because most people cannot afford to pay the annual tuition amount all at once. Each of the monthly payments have been calculated as a fraction of the academic year tuition. You are not paying monthly for that month, but for a fraction of the academic year. We do not refund tuition for school holidays, absences, or snow days.
3. Once registered, your child is enrolled in the school until s/he disenrolls. We do not accept “dropin” unregistered children in any program. For this reason, we cannot make refunds for absences. Because we operate at or near capacity, neither can we permit you to “makeup” absences by attending at some other time than that for which you originally enrolled.
4. A \$25.00 late fee is added to your account whenever your monthly payment is made after the 5th day of each month.
5. Checks returned for insufficient funds carry a \$25.00 returned check fee.
6. Persons who make arrangements to pay late or who make arrangements to make smaller than monthly payments must be on time. In cases here these agreements are not kept, late fees may be charged. We regret that we must disenroll children whose parents repeatedly delay or fail to make scheduled payments.
7. A finance charge of 1.5% per month will be charged on accounts delinquent over 60 days. The charges will accrue until the full amount due is collected, whether voluntarily or through the intervention of a collection agency or the court system.

I, _____, have read, understand, and agree to the above policy. I understand that I am fully responsible for the annual tuition charged for the program in which I have enrolled my child. I agree to pay all costs and expenses incurred should my account be turned over for collection, including any legal or attorney fees. I understand that customary collection agency fees are at least 40% of the original debt.
